

B Maze Elite Academy Player Sponsor

B Maze Elite Academy is a youth basketball training program out of Knoxville that exists to help young athletes reach their full potential in the sport of basketball. Through training and competing in tournaments around the country our athletes learn lessons about teamwork, integrity, hard work, self-sacrifice, and how to get the most out of their abilities.

As the sport has developed and college recruiting has begun to center around travel basketball rather than high school basketball, athletes with a desire to play in college cannot afford to skip playing club. But, while we seek to provide every athlete with the opportunity to play, the fact remains that the cost of playing travel basketball can be prohibitive.

We are seeking sponsors from you that want to play a small part in helping each of our players achieve their dreams in the sport of basketball. Our sponsorship packages are below:
